

This course will develop your understanding of how a person's state of mind affects their physical body, and how changes in the physical body affect state of mind and behaviour; and how the mind can affect the physical state of the body.

Comment from one of our Biopsychology Students:

*"I thoroughly enjoyed the course and found it to be wonderful in all aspects"* For full course outline [Click here](#).

## Biopsychology Online

### What you get once you enrol:

- Full access to course materials (lessons, assignments, self assessment tests) on our online Moodle platform
- Full Tutor support through out the course via email and Phone
- Option to do the course on CD if Internet connection is a problem
- Supplementary materials like extra articles, news and information added into your online account through out the course
- Career advice
- 10 Assignment corrections and feedback included

**Course Duration:** 120 hours of study. You can spread out the hours any way it suits you. Most people complete the course in 6 months to 10 months. We require you to submit at least 1 assignment per month. Ideally once you complete studying a lesson it follows with an assignment which you can complete and submit to your tutor. You can get an extension with prior tutor approval.

Exam: At the end of the course you will be required to undertake an exam and pass it to get your Certificate.

### What happens once you finish the course?

You will be awarded with your certificate

You can either advance your studies or work in the Psychology industry with a better understanding of the Biopsychology.

You can discuss with your tutor about your career options.

## RECOGNITIONS

WE ARE RECOGNISED BY:  
INTERNATIONAL
