

The Children's course is a comprehensive course which explains the nutritional needs of children from pre natal, infancy stages to adolescence.

This is a must course for people working in the health and nutrition industry and also for people who work with children.

This course is written by a qualified dietitian and a nutritionist.

- Discuss the nature and scope of developing nutrition for children according to their backgrounds and needs.
- Explain the various nutritional needs of the mother and father before pregnancy.
- Explain the various nutritional needs of the mother and child during pregnancy.
- Explain various nutritional needs of infants from birth to age two.
- Explain various nutritional aspects of growing children addressing various issues and concerns.
- Identify concerns in the diets of children and adolescents and overcoming them.

Children's Nutrition

What you get once you enrol:

- Full access to course materials (lessons, assignments, self assessment tests) on our online Moodle platform
- Full Tutor support through out the course via email and Phone
- Option to do the course on CD if Internet connection is a problem
- Supplementary materials like extra articles, news and information added into your online account through out the course
- Career advice
- 10 Assignment corrections and feedback included

Course Duration: 120 hours of study. You can spread out the hours any way it suits you. Most people complete the course in 6 months to 10 months. We require you to submit at least 1 assignment per month. Ideally once you complete studying a lesson it follows with an assignment which you can complete and submit to your tutor. You can get an extension with prior tutor approval.

Exam: At the end of the course you will be required to undertake an exam and pass it to get your Certificate.

What happens once you finish the course?

You will be awarded with your certificate

You can either advance your studies or work in the industry with a better understanding of the subject.

You can discuss with your tutor about your career options.
