

Human Biology 1 is an introductory course in human anatomy and physiology. It is a great course for anyone who is interested in a career in health or medicine or for school leavers who are keen to go to University for medicine or science.

- **Course aim:** To explain the human body at a microscopic level, including the structure and function of cells, tissues and membranes.
- Explain features of the human skeletal system. Describe the human muscular system, in terms of structure and basic function.
- Explain the human nervous system, in terms of structure and basic functions.
- Explain different physiological systems of the body.

**A comment from one of our Human Anatomy and Physiolog students:** *"Very pleased with the work"* L. Lowery

## Human Biology Online

### What you get once you enrol:

- Full access to course materials (lessons, assignments, self assessment tests) on our online Moodle platform
- Full Tutor support through out the course via email and Phone
- Option to do the course on CD if Internet connection is a problem
- Supplementary materials like extra articles, news and information added into your online account through out the course
- Career advice
- 10 Assignment corrections and feedback included

**Course Duration:** 120 hours of study. You can spread out the hours any way it suits you. Most people complete the course in 6 months to 10 months. We require you to submit at least 1 assignment per month. Ideally once you complete studying a lesson it follows with an assignment which you can complete and submit to your tutor. You can get an extension with prior tutor approval.

Exam: At the end of the course you will be required to undertake an exam and pass it to get your Certificate.

### What happens once you finish the course?

You will be awarded with your certificate

You can either advance your studies or work in the health care industry with a better understanding of the human body.

You can discuss with your tutor about your career options.

## RECOGNITIONS

WE ARE RECOGNISED BY:  
INTERNATIONAL
