

A special course designed for people working or wishing to work in medical environments, with no medical training, to develop skills to communicate clearly and effectively using medical terminology.

Course aim: To communicate clearly and effectively using medical terminology
To identify all aspects of terminology including meanings of all physiological and anatomical features including disorders.

For full course outline [Click here](#).

Medical Terminology Online

What you get once you enrol:

- Full access to course materials (lessons, assignments, self assessment tests) on our online Moodle platform
- Full Tutor support through out the course via email and Phone
- Option to do the course on CD if Internet connection is a problem
- Supplementary materials like extra articles, news and information added into your online account through out the course
- Career advice
- 10 Assignment corrections and feedback included
- Option to pay by Part payments which will cost you about \$ 50.00 per week (enquire for more details)

Course Duration: 100 hours of study. You can spread out the hours any way it suits you. Most people complete the course in 3 months. We require you to submit at least 1 assignment per month. Ideally once you complete studying a lesson it follows with an assignment which you can complete and submit to your tutor. You can get an extension with prior tutor approval.

Exam: At the end of the course you will be required to undertake an exam and pass it to get your Certificate.

What happens once you finish the course?

You will be awarded with your certificate

You can work as a medical Receptionist/secretary or in a health related industry.
